Dear Supporter of Lake Central Bands,

The Lake Central Band Booster Club supports the LCHS Bands by seeking donations, financial support, and volunteers from individuals, businesses, and community organizations. We are a non-profit 501(c)(3) organization that seeks to provide opportunities for students to have an enriching musical education and opportunities beyond what the local schools can supply.

### **May we rely on your support for our award-winning Bands program for the 2023-2024 school year?**

We are seeking monetary donations to help maximize the finances received through student participation fees and fundraising. Your donation helps the Booster organization provide students with performance opportunities, lessons, and professional training.

Booster Club members work hard throughout the year to raise funds. Students and their parents participate in car washes, selling discount cards, pick-a-date, craft fairs, and Little Caesar's. Also, we run concessions stands for JV, Varsity, and Freshmen football games.

In addition to their musical and fundraising endeavors, students in the Band and Color Guard program are required to keep their grades up and to participate in practices, performances, and competitions. They sacrifice their free time because they believe in and receive benefits from being involved in Band and Color Guard.

We need your help and support! Thank you in advance for supporting our students at Lake Central High School and in your community.

Sincerely,

Elliot Smith  
Director of Bands

Lori Daniels  
Booster President
